

# Hillcrest Academy | Dorm Life

At Hillcrest, you'll be surrounded by people who care. There are people who are ready and waiting to talk with you, pray with you – providing advice on everything from laundry and clean rooms to friendships and the future.

Students live in separate dorms, housed in two different buildings on-campus. The dormitories have separate bathrooms and showers on each floor. Each room is equipped with one or two single beds, dressers, desks, and a small closet. Each dorm also has lounges and kitchenettes. Telephones are located throughout the dorms, and laundry machines are coin-operated. Meals are served in the cafeteria in the lower level of the main building. The gymnasium and Student Center are also available for supervised student use.

“The Stu,” Hillcrest’s student lounge always has great music playing, snacks for purchase and offers plenty of opportunities to bond with your classmates. HLA students enjoy different settings to pass the free time.

Our Resident Life Staff seeks to provide a safe, nurturing dormitory experience for each student. They feel called by the Lord to nurture and care deeply for each student.

The friendship bonds that form at Hillcrest are long-lasting. The same friends who share your living space, your popcorn, your shampoo, your laughter and tears share Christ as well.

The dorms are available for those who are attending Hillcrest in grades 10-12. Students in grade 9 are also considered for acceptance into the dorm on a case-by-case basis.
