— A CAMPAIGN OF HILLCREST LUTHERAN ACADEMY —

“God’s hand of blessing has been on the mission of Hillcrest Lutheran Academy since it began over 90 years ago. The time is right to advance and build on this great history. We are ready to move forward boldly to impact future generations for Christ.”

## A fresh breeze blows on the campus of Hillcrest Lutheran Academy...

It’s a breeze that carries with it the optimism of a strong future. It carries the clear message that teenagers thrive in body, mind, and spirit within the context of a caring Christian community. It’s a breeze that carries the message of countless young voices sharing the same testimony, “I changed!”

This breeze is affecting how we view our campus, showing areas of need that will make Hillcrest a stronger and more vital institution.

The scope of the campaign is five million dollars. It includes retiring the remaining one million dollar debt on the Student Activities Center. It includes the renovation of the Classroom Section in the Hillcrest building, and installing a new heating and air conditioning system in that area, as well as in the entire Hillcrest building. It includes adding endowments for ongoing student scholarships, academic programs, and facility costs.

It includes funding for professional development of staff, salary increases, and curriculum development. And it includes the Annual Fund, the gifts each year that subsidize the operations of the school to help keep tuition costs affordable.

### The scope of the campaign is \$5 million.

You are part of a chain of significant blessings that will keep the momentum going this year. You can have a part in advancing the mission of the school, allowing more students to experience the benefits, and being part of something that is much bigger and more powerful than we could possibly imagine.

It is very clear to the leadership and staff of Hillcrest Academy that the fresh breeze we've experienced is none other than the gracious presence and movement of God's Spirit. We humbly and gratefully acknowledge the source. And we want God's Spirit to continue to bless the mission of Hillcrest Lutheran Academy.
