Club Membership

A wonderful way to participate in Fresh Breeze is by joining a Hillcrest giving club. Club members support the school's annual fund, a vital initiative of the \$5 million Fresh Breeze campaign. A robust annual fund allows tuition rates to remain low, making a Hillcrest education attainable for more students. Additionally, member support helps to secure Hillcrest's financial foundation into the future, ensuring that it will remain able to provide quality, Christian education for years to come.

There is no limit to the term of your club enrollment, provided your continued desire to participate in the club each year. Gifts may be given annually or divided over 12 months.
