## 2012 H.I.T. Basketball Roster Team Name \_\_\_\_\_

(Use city and number like we have done in the past. Ex: Minot 1, Fergus Falls 2, etc.)

What division is your team applying for? (circle)      Div I      Classic      Div. II      Div. III

*The division you are applying for is not guaranteed, but we will try to be fair to all teams involved. The 2011 Champion and Runner-Up from Divisions Classic, II, or III are set to move up to the higher division this year, unless a specific circumstance approved by the HIT committee dictates otherwise. You will notice that we have added an experience level category to the roster. Age, gender, experience and past success at HIT will be criteria the HIT committee will use to assign teams to divisions.*

Print the first and last names of the players on your roster legibly, their age and experience, and how they qualify to play in the 2012 HIT.
