

2011-2012

Car Riding Permission for Dorm Students

While student vehicles are not prohibited, it is the opinion of the administration of Hillcrest Academy that it is not necessary for students to have vehicles while living in the resident halls. Regular trips to local shopping are available as well as shopping trips to Fargo and other metro areas. Fergus Falls has a taxi service, DOC (Drivers On Call) and a bus service. Also the local grocery store and convenience stores are within easy walking distance. If there is enough interest, fan busses will travel to away sporting events.

The Administration of Hillcrest Academy and Resident Life Staff have guidelines in place that help in maintaining a safe experience for your student. Included within these guidelines are rules governing the operation of vehicles and the transport of passengers.

The Resident Life Directors and staff give careful consideration of driving privileges and evaluate each driver individually. The resident life staff maintains strict standards of conduct for resident hall students who are keeping a car on campus. The resident staff reserves the right to decline, remove, or revoke any driving privileges while the student is attending Hillcrest Academy.

Please know that we will make every effort to be aware of weather advisories and road conditions (using weather.com and local radio stations) as much as possible however, good judgment must be used by the student as well. Actions, whether in a car or in alternative situation that show a lack of judgment will result in loss (possibly permanent) of car driving and/or riding privileges.

This form serves as parental permission for dorm students to ride as a passenger with non-adult student drivers. For students who operate a vehicle on campus an additional form (*Vehicle Registration and Permission*) will be required along with the purchase of a parking sticker.

My child may ride with drivers who are properly licensed and insured. This includes trips to out of town sporting events, night driving, and driving to another town or city.

Students Name: _____ DOB: _____
(please print)

Student's signature: _____
(signing implies that student has read and agrees to abide by this agreement)

Parents Name: _____ Date: _____
(please print)

Parent's signature: _____
(signing implies that parent has read and agrees to abide by this agreement)
