## Staying in Touch

**HLA Today gives you the news you need about what's going on at Hillcrest each week.**

Every other week students in Journalism class produce a brief, colorful newspaper describing events, activities and life in general at Hillcrest. The articles are written by the students and each member of the class takes their turn editing and laying out the newspaper.

The newspaper is printed on Tuesdays and is mailed out that day, reaching subscribers usually on Thursday or Friday. The class publishes EIGHT issues each semester.

Parents and students are finding that saving the issues of *HLA Today* becomes a great way to remember life at Hillcrest.

Cut off and return to HLA Today Publications, Hillcrest Lutheran Academy, 610 Hillcrest Drive, Fergus Falls, MN 56537. We will mail out 16 issues each year.
