

CAMPAIGN *Update!*

LOWER SCHOOL BUILDING

Are you praying for the future of Christian education? The future of Hillcrest is here at the HLA Lower School which is the location of the Pre-K through 5th grade. Would you partner with us to complete this monumental project in the story of Hillcrest? Ask how you can be a part of this amazing project, there are many ways to help!

CASTLE ROOF RENOVATION & HVAC SYSTEM

The Castle roof has been returned to its original glory, complete with the freshly painted spires, cupolas, and a brand new fence surrounding the grand central bell tower.

The HVAC system update will be initiated when funds are available. A contribution from you would help help us continue to make improvements that are so desperately needed to this beloved iconic building.

RESIDENCE HALL IMPROVEMENTS

One of the most unique aspects of Hillcrest is that we have students from the US and all over the world who have come to Hillcrest as Upper School students and are able to live in the dorms. This experience has crested generations of close knit communities with in our own school community. But the dorms need updating! The boy's residence hall kitchen and one bathroom has been updated thus far. Other bathrooms, dorm rooms, and living spaces are in dire need of refreshing. Can you help us raise the funds to complete one or more of these projects? The dorm students consider these spaces home for the school year.

WAYS TO GIVE

Make a pledge to the campaign

A single gift

Scheduled monthly giving - Join the Giving Club!

Participate in "Count Me In" projects and offer physical help

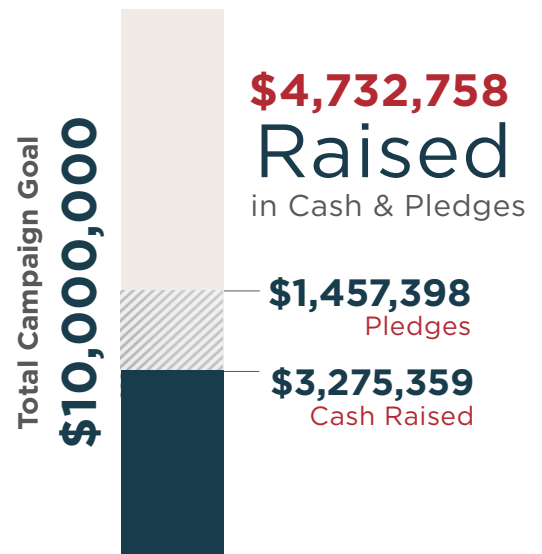

Prayer

Estate Giving

Designating a portion of your estate in your will is a way to ensure that your legacy makes a positive impact for generations to come. Speak with your financial advisor, he/she will help you decide what's best for your plan.

Generations
CAPITAL CAMPAIGN
HILLCREST LUTHERAN ACADEMY

As of May 16, 2023

GIVING CLUB MEMBERSHIP

You can help support the Generations Campaign by joining the Giving Club at the \$120, \$500, \$1,000, \$2,500, \$5,000 or \$10,000 level. These amounts are divided up into convenient automatic monthly payments (ex. Club 120 is \$10 per month, Club 500 is \$41 per month, etc).

Why support Hillcrest Academy as a Giving Club Member?

Giving Club members become partners in the ministry of Hillcrest Academy by helping to support the Hillcrest Fund. The Hillcrest Fund is an initiative of the Generations Campaign and helps support the school's annual operational budget. Gifts given assist in keeping tuition rates low by subsidizing teacher's salaries, providing for educational resources, and helping to cover the cost of facility expenses. Additionally, member support helps to secure Hillcrest's financial foundation into the future, ensuring that it will remain able to provide quality Christian education for years to come. There is no limit to the term of your enrollment, provided your continued desire to participate in the club each year. As personal circumstances change, club members may opt to move up to a new giving level. **To join the Giving Club, please go to: ffhillcrest.org/give**
