### **Student Emergency Care Information**

To the Parents or Guardians, the school intends to use this requested information to serve your child in an emergency by seeking help from you or people you designate. If we are unable to reach you or your designee in an emergency, we may call 9-1-1 or the police. Parents are always contacted first. Alternate emergency contacts must be someone who lives locally and can arrive quickly (someone other than home or daycare). Also, if your child is too ill to remain at the school at a time when you are away from home, we will need two contacts of individuals who would care for your child until you can be reached.
